Installation of New Signal & Pedestrian Crossings Route 54 and West Fenwick Boulevard

Beginning Wednesday, March 10

Fenwick Island -- The Department of Transportation (DelDOT) advises motorists of daytime lane closures at the intersection of Route 54/Lighthouse Road and West Fenwick Boulevard in Fenwick Island for the installation of a mast arm traffic signal and pedestrian crossings. The new crossings will allow pedestrians to cross West Fenwick Boulevard parallel to Route 54/Lighthouse Road.

The project will begin on Wednesday, March 10 and is anticipated to be completed by Friday, April 9, weather permitting. There will be no construction on weekends.

Flaggers will be on site to control traffic throughout the intersection.
